We, the members of First Church of Christ, Scientist, of Washington, D. We join Tenth Church in requesting you to urge the Government of the United States to take or participate in immediate steps to bring these atrocities to an end, and pledge to you our wholehearted support in any action that you may take to accomplish this purpose.

## Plays Common Saw At Tent Meeting Revival

T. H. Barritt, the noted sing-  
ing evangelist of the tent taber-  
nacle, Tenth and F streets north-  
east, will again lead the singing  
at this great revival meeting  
Sunday night at 7:30.

Enormous audiences have  
flocked to the tabernacle during  
the month of August. Mr. Bar-  
ritt, with the aid of a common  
carpenter's saw, has, at the  
former meetings, rendered some  
wonderful old evangelistic hymns.  
At the Sunday night meeting Mr.  
Barritt will play the carpenter's  
saw by special request. This fea-  
ture is the most unique one of  
the many to be witnessed at the  
tent tabernacle.

Evangelist R. E. Harter will  
preach the sermon Sunday eve-  
ning. His subject is "The Mark  
of the Beast," and "The Little  
Horn Speaking Great Things."

Mr. Barritt and a chorus of  
children will complete the pro-  
gram Sunday by a demonstration  
of "How Betsy Ross Made Our  
Nation's Flag." The subject has  
been set to music and will be  
rendered by Mr. Barritt and the  
children.

On two occasions Mr. Barritt  
has broadcasted music from his  
carpenter's saw through the radio  
station WEAS, of the Hecht Com-  
pany. Mr. Barritt has received  
letters from radio fans the coun-  
try over complimenting him on  
the clearness and exactness of his  
broadcasting.

Wilfley, who is a member of the

## Church Folks and Affairs

By C. B. RIDDLE.

The General Bible Conference of the  
Stony Brook Assembly, Long  
Island, New York, is in session this  
week, the work to end Sunday,  
August 27.

Among the books of a religious  
character soon to be published are:  
"That You May Believe," by Dr.  
David Keppel; "Our Protestant Heri-  
tage," by Dr. Lynn Harold Hough.  
These books are to be issued by the  
Abingdon Press, New York, and give  
promise of service and a wide read-  
ing.

William H. Anderson, head of the  
Anti-Saloon League of the State of  
New York, has made an attack upon  
the recent poll by the Literary  
Digest on the Eighteenth Amend-  
ment. Anderson claims that the  
Digest interprets the poll so as to  
indicate that the people are against  
the amendment. With him there are  
many others of the same opinion.

That which will be watched with  
interest is a recent step taken by  
Wake Forest College in North Caro-  
lina in permitting fraternities to the  
college campus. Wake Forest has  
been outspoken against the "frats,"  
and it remains to see what effect  
these organizations may have in a  
church institution.

Christian workers all over the  
country will be glad to learn that the  
Bible at last is getting back to pre-  
war prices. For the first time in  
almost five years the American Bible  
Society is able to offer Gospels with  
heavy covers for 1 cent. An edition  
of the Gospel of St. John is already  
off the press and the other Gospels  
will be prepared in the same style  
and in various languages. One is  
amazed that a book of sixty-four  
pages, so attractively covered, is  
issued for the price of 1 cent.

Friends of the American Indians  
and those particularly concerned for  
their Christian welfare will be inter-  
ested in House bill 10,738, introduced  
in the House of Representatives by  
Hon. Carl Hayden, Congressman  
from Arizona. While the bill is gen-  
eral in its features, applying to  
everybody, it has particular refer-  
ence to the American Indian, to a  
considerable number of whom peyote  
has become in its use a very dele-  
terious drug. The peyote bean is  
imported from northern Mexico and  
through scientific investigation and  
observation of its use has been found  
very detrimental to physical health,  
mental sanity and moral control.  
The bill has been referred to the  
Committee on Judiciary of the House  
of Representatives, of which Hon.  
A. J. Volstead is chairman. A hear-  
ing on the bill was held the end of  
June at which representatives of the  
Indian Bureau, the various home  
mission boards doing work among  
Indians as represented in the Home  
Mission Council and Council of  
Women for Home Missions, the  
Federal Council of Churches, the  
Woman's Christian Temperance  
Union, the Indian Rights Associa-  
tion, the Anti-Saloon League and  
Congressmen from the Southwest  
urged the passage of the bill.
